TECHNICAL DATA SHEET

Ansell Encore Sterile Latex Gloves

DESCRIPTION

ENCORE® gloves are designed and engineered for surgeons, OR nurses and surgical technicians seeking protection and safety with advanced levels of ergonomics, dexterity and comfort during surgery. ENCORE® gloves afford the kind of hand protection that elevates users' confidence and provide optimum comfort during surgery. The Encore® Style 85 has been designed to meet the needs of users who want a glove with a rough surface for the sure handling of instruments, with maximum comfort and safety levels. Offering Ansell's SureFit™ technology to prevent cuff roll-down, this glove provides healthcare professionals with superior barrier protection.
