

TECHNICAL DATA SHEET

Byotrol Hand Sanitising Foam

DESCRIPTION

Byotrol hand sanitising foam is an alcohol-free formulation, providing safe and effective hand sanitation. This sanitiser kills 99.99% of bacteria, fungi and viruses, and starts working in less than 60 seconds. Formulated to kill 99.99% of common germs and viruses, including Influenza A (H1N1, Swine Flu), MRSA, Rotavirus, E. coli and SARS-Cov-2 (Covid-19). Byotrol INVIRTU Hand Foam Sanitiser continues to provide protection between hand washing through its prolonged antimicrobial effect.
