

# TECHNICAL DATA SHEET

## Cleanroom Keyboard – Wireless Silicone

### DESCRIPTION

A hygienic keyboard manufactured with waterproof technology. The keyboard is fully sealed, making it dishwasher safe and fully protected. Connects to your computer using a wireless Bluetooth dongle, removing the need for awkward-to-clean wires. Features a full alpha-numeric keyboard with full numeric keypad and an integrated touchpad. 100% silicone with ABS housing.

IP68 water and dust protection. Can be cleaned using soapy water, disinfectants or other cleaning agents.
