

TECHNICAL DATA SHEET

Cleanroom Mouse – Silicone – Wired

DESCRIPTION

Medical grade IP68 water and dust proof mouse. 100% waterproof with a USB cover, making it easy to clean with all common medical cleaning solutions, without risk of damage. The mouse and cable have a unique antimicrobial coating on the surface to prevent microbial infestation. The plug and play USB system makes it easy to install without the need for any drivers. Supplied with a 1 year limited warranty, and CE, FCC and ROHS approvals.
