

TECHNICAL DATA SHEET

Clinnell Hand Sanitising Gel

DESCRIPTION

Fast-acting, easy-dry gel instantly sanitises hands without need for soap and water. Skin-friendly, moisturising formula leaves hands clean with no stickiness. Ideal for quickly and easily disinfecting hands on the go. Featuring a unique, skin-friendly blend of 74% (v/v) alcohol and biocides containing glycerine and aloe vera extracts. Gels dry in a matter of seconds and leave hands clean, moisturised and feeling refreshed without any residual stickiness.
