

TECHNICAL DATA SHEET

Short Peak Safety Helmet

DESCRIPTION

A stylish premium ABS helmet available in 2 colours. Comes with a 3 point comfort harness and padded sweatband for maximum user comfort. Easy adjustment wheel ratchet and free chin strap allows for a secure fit and optimum protection. Ventilation at the top of the helmet allows for added climate control. A sizeable front allows logo customisation. One size designed to fit 'regular size range' of 52-63cm.
