## Softwall Sampling Booth

### DESCRIPTION

The softwall QC sampling booth provides ISO14644-1:(2015) Class 5 (100) work zone sampling conditions. The sampling booth can be constructed to suit standard pallets or multiple pallets. Flexible sides ensure ease of access and ensures the clean zone stays within Class 5 conditions. The soft wall sampling booth is suitable for the housing of a standard size pallet containing drums and bagged raw materials. The soft wall sampling booth is mobile, flexible in its use and can be transported easily between sampling locations.

### TECHNICAL SPECIFICATION

Material	Steel Frame and PVC slidable softwall
Sizes	1.5 metre x 1.5 metre 3.0 metre x 3.0 metre
Test Standards	ISO 14644-1:(2015) class 5 EN1822 99.999% H14 ULPA

### FEATURES

- HEPA Filter to EN1822 99.999% H14 ULPA
- Controls monitor air flow and filter conditions
- Class 5 ISO 14644-1 (2015) in sample zone
- Lockable castors on all legs
- Easy to transport
- Ready to sample within 2 minutes of start up
- Over 600 air changes per hour
- Fully mobile, easy to assemble
- QA sampling for lab or goods in area

# TECHNICAL DATA SHEET

## Softwall Sampling Booth

This product is fully mobile and easy to assemble, it has QA sampling for lab or goods in area over 600 air changes per hour. It has HEPA Filter to EN1822 99.999% H14 ULPA, lockable castors on all legs and controls monitor air flow and filter conditions. It is easy to transport, ready to sample within 2 minutes of start up and is Class 5 ISO 14644-1 (2015) in sample zone.

### **Sizing:**

- 1.5 metre x 1.5 metre or 3.0 metre x 3.0 metre
- 2.1 metres internal height
- 2.5 metres external height

### **Validation and Commissioning:**

- Validation and commissioning to ISO 14644-1:(2015) Class 5
- DQ,IQ,OQ & PQ documentation
- Operator Training Provided
- Full validation report in accordance with ISO 14644-1:(2015) and 3
- Operation and maintenance manuals provided on completion of installation

### **Options Include:**

- Virtually any size configuration
- Hazardous Environments
- Options for flexible curtain all sides (standard) or part solid wall/part flexible curtain
- Internal furnishings available
