## Traega Hi Vis Polo Shirt

### DESCRIPTION

100% polyester, highly breathable bird-eye knit fabric hi-visibility polo shirt. Two hi vis bands around the waist with two braces over the shoulders. Engineered to offer a more modern, stylish fit whilst still providing the necessary requirements to meet class 2 EN20471. Strategically placed tape around the torso allows for greater freedom and less restriction when putting on and taking off the garment. Both colours tested to EN20471:2013 class 2. Orange colour also tested to GO/RT:3279 Issue 8.
