### Certification

- The Moldex Series 7000 meet the requirements of EN140:1998 and are CE-marked in accordance with the requirements of European Directive 89/686/EEC
- The products are manufactured in an ISO 9001 certified plant

### Instructions for Use

- This breathing apparatus does not supply oxygen
- The product does not contain any metallic parts that could cause ignition in potentially explosives atmospheres
- Observe the relevant rules and regulations when using respiratory equipment
- Under certain circumstances, individuals with beards, long sideburns or other anomalies in the area around the sealing lines, may be unable to achieve a properly sealing fit
- The masks must not be modified in any way
- Read the instruction manual before using the mask. Failure to comply with these instructions on how to use the product and failure to wear the respiratory protection in the polluted area may negatively impact on the health of the user and lead to permanent injury
- Caution: Do not use filter equipment in unventilated containers and confined spaces

### 7000 series:

- 7001 - Small
- 7002 - Medium
- 7003 - Large
