Level 2

Puncture Resistance:
Level 1

Product Description

- A 13 gauge, medium weight, machine knitted glove with a 100% nylon seamless construction
- Includes a tough and durable polyurethane coating on the front face
- Available in black from stock. Other colours are available.

Testing

- Tested in accordance with EN 388, EC type examination carried out by: SATRA Quality Assurance Ltd, SATRA Technology Centre, Wyndham Way, Telford Way, Kettering, Northamptonshire, NN16 8SD, United Kingdom (Notified Body No. 0321)
- The results are taken from the palm area of the gloves and the uncoated surface may have reduced performance levels

Maintenance

- Both new and old gloves should be thoroughly inspected before use to ensure no damage is present. Gloves should not be left in a contaminated condition if reuse is intended
- If contaminated, gloves should be cleaned as far as possible

Storage

- Gloves should be stored in a cool, dry environment in the original packaging and out of direct sunlight
